

# FINGERPRINT INSTRUCTIONS

## FOR IDAHO REAL ESTATE LICENSE APPLICANTS

REE011-19  
Rev. 11/11

Idaho Code 54-2012(1)(j) and 54-2012(2)(c) require that an applicant for a new salesperson or broker license must receive fingerprint clearance prior to applying for licensure.

1. Make an appointment to be fingerprinted with Pearson VUE (IREC's license exam provider) by visiting <https://pearsonwest.ibtfingerprint.com> or calling L-1 Identity Solutions at (866) 761-8069 Monday through Saturday 9:00 a.m. to 6:00 p.m. (*Mountain time*). You will choose a location to be fingerprinted and pay the \$49.25 fingerprinting fee to Pearson VUE. The \$49.25 fee includes the electronic fingerprinting service and required background check. **The Idaho test centers (Boise, Pocatello, and Coeur d'Alene) and the Spokane, Washington; Midvale, Ogden and Orem, Utah; and Las Vegas and Reno, Nevada test centers have LiveScan equipment for digital fingerprinting.** IREC encourages you to test at one of these centers, if possible, where you can be fingerprinted at the same time you take your license exam. (NOTE: The exam appointment is separate from the fingerprint appointment. If you are also taking the licensing exam, make your exam appointment first and wait for confirmation of your exam reservation before making your fingerprint reservation.)
2. If you cannot be fingerprinted at one of the above-referenced test centers, you may contact the Commission to request a traditional fingerprint card packet, including a pre-addressed envelope and instructions on how to be fingerprinted and submit your fingerprints for processing. There may be an additional charge for the fingerprinting service if you do not have your fingerprints taken at a Pearson VUE test center listed above. (You will pay any additional fees directly to the agency taking your fingerprints.) Completed fingerprint cards must be submitted within 60 days of the date the prints are taken. You will mail your completed fingerprint card and the \$49.25 fee directly to: L-1 ESD/LiveScan Processing Unit, 1650 Wabash Suite D, Springfield, IL 62704, ATTN: Idaho Real Estate. **DO NOT SEND FINGERPRINT CARDS OR THE \$49.25 FEE TO THE REAL ESTATE COMMISSION.** Failure to submit your fingerprint card exactly as instructed will result in a rejection of your fingerprints and you will have to start the process over again.
3. All fingerprints mailed to L-1 on traditional paper fingerprint cards will be converted to digital records and transmitted electronically to the Idaho State Police (ISP) for processing. ISP will perform a state screening and then forward your fingerprints to the Federal Bureau of Investigation (FBI) for a national screening.
4. The results of your background check will normally be returned to the Commission within 7-21 days for LiveScan fingerprints taken at the above Idaho region test centers. If you are fingerprinted elsewhere, results will be returned 3-6 weeks after you mail your completed fingerprint card to L-1. To view the status of your fingerprint results, you must register a user name and password at <http://irec.idaho.gov> and log in to your account. No notice will be mailed, and fingerprint results will not be given over the phone. You have 6 months to submit your license application from the date the Commission approves your fingerprints. No extensions will be given.
5. If your fingerprints are rejected as unreadable, the Commission will notify you with instructions on how to provide a new set of fingerprints at no additional charge. If your fingerprints are returned twice as unreadable, ISP will forward your fingerprints to the FBI for a national name screening. This separate FBI screening will take an additional 3 to 6 weeks.
6. If you have ever had a felony conviction and you have received a notice from the Commission requesting more information, you must make a written request for and obtain an exemption from the Commission before you can be licensed. Please contact the Commission's Licensing Department for assistance in requesting a felony exemption.

Below are 3 guidelines given to the Commission by the Idaho State Police which will help you in submitting clear, readable fingerprints:

1. Be sure your hands are clean when you have your fingerprints taken. Oil or grease on the fingertip will prevent a clean, readable print from being taken.
2. If you have an injury to a fingertip, ask the official taking the fingerprints to note this on your card.
3. Be sure to provide all other names ("aliases") you have ever used, including maiden names.

If you have your fingerprints taken at one of the test centers listed in paragraph #1, the test center staff will assist you in completing the required background information for your fingerprint record. If you have your fingerprints taken anywhere else, be sure to fill out the fingerprint card completely. Please see the line by line instructions for completing your card on the reverse of this page. Failure to provide all required information will result in the card being returned to you or rejection of your fingerprints, which will delay your licensure.
