IREC's *Real Estate* newsletter is published online only on January 1 and July 1 of each year. IREC maintains archives of e-newsletters, the Broker Bulletins, and *Real Estate* newsletters at [www.IREC.idaho.gov](http://www.IREC.idaho.gov).

**HOT TOPIC - License Agreements Cancelled!** All of Idaho's license agreements for reciprocal and regular licenses have now been cancelled, EXCEPT for the reciprocal agreement with Oregon (we are proposing changes to this agreement but nothing has been finalized yet). Montana cancelled its agreement effective 2/15/09, Colorado cancelled theirs effective 1/31/09, and Idaho cancelled the remaining agreements effective 3/23/09.

Licensees who were licensed under an agreement will have their licenses converted to a primary Idaho license. At their next renewal date, these licensees will have to meet the Idaho CE requirement, which includes the Commission Core course plus 16 hours of electives. Idaho accepts most CE credits from other states, and there is a form available on the website for you to submit those courses for posting to your Idaho license record. Please contact our Education Department at 334-3285 if you have questions about CE, or our Licensing Department if you need information about licensing matters.

**Did you know?** You may not receive credit for taking the same CE class twice in a renewal period.

If you have renewed your license on inactive status, you must complete the CE requirement PRIOR to reactivating your license.
