

IREC is looking for a new office home! The Dept. of Administration has issued an RFP for 4200 to 5000 square feet of office space for the Real Estate Commission. The RFP is open through the end of February 2011. To submit a space for consideration, you **MUST** go through the State of Idaho Department of Administration purchasing process. Visit their website to read the RFP and the submittal requirements.

Please do NOT contact IREC directly.

Planning to attend a Commission meeting? The agenda and reports for the meeting are now available for download from the IREC website one week in advance of the meeting. If you would like to follow along with the Commissioners, you can print out the packet and bring it with you, or just read it at home any time.

The Real Estate Commission is now on **Facebook** and **Twitter!** Follow IREC at user name IdahoREComm.

If you have recently looked up your CE records online, you may have noticed the asterisks are gone. The system had previously displayed the asterisks to denote the courses that had been completed during the current renewal period. However, it did not work perfectly, and in the interest of providing correct information, we have removed the asterisks until such time as we can figure out how to make them foolproof. Please give us a call any time you need help with your CE records.

If you haven't been to the IREC website lately, check it out! We have transitioned to the State of Idaho website template, and it looks very nice. We welcome your suggestions for ways to improve our site and online services.
