SPECIAL CONSIDERATION OF CERTIFICATION AND LICENSING REQUIREMENTS

The Idaho Real Estate Commission is authorized, upon request for special consideration by an applicant, to waive or modify any requirement established by statute for the certification of course providers, pre-license instructors, and courses/course content, and any prerequisite requirement for obtaining a broker or sales person real estate license. The Education Council is established to act as an advisory group to the Commission and to perform functions as set forth in the license law and in the Council’s bylaws.

A. It is the Commissioners’ opinion that the Education Director and/or Education Council are in the best position to consider and determine matters relating to the following education requirements for licensure and certification. Therefore, the following procedures are adopted for use by the Commission and the corresponding authority is approved for delegation to the Education Council in its Bylaws.

1. Certification of course providers (54-2026)
2. Certification of instructors (54-2033 & 54-2034)
3. Certification of courses and course content (54-2036)
4. Waivers or modifications to prelicense education requirements (54-2012(1)(h) and 54-2022(2))
5. Determination of equivalency with Idaho requirements of prelicense and continuing education courses (54-2022(6))
6. Extensions of time for acceptance of exam results or prelicense coursework (54-2014(1) and 54-2022(2))

The Education Director is specifically authorized to certify course providers, instructors, and courses, and determine equivalency of CE courses with Idaho requirements.

If an applicant requests an extension of time for acceptance of courses or exam results or special consideration of an education requirement, or if the applicant does not agree with the Education Director’s determination of a matter set forth in paragraph (i) above, or if the Education Director in his/her discretion deems it appropriate or advisable, then the applicant’s request will be placed on the agenda of the next regularly scheduled Education Council meeting for its consideration and

Adopted by Commissioners January 16, 2014
determination by the Council. Applicants will be advised in writing within ten (10) business days of the Council’s decision.

If an applicant does not agree with the Education Council’s decision, then the applicant may request to have the matter reviewed by the Commission members by timely filing a written request for Commissioner Review. Such request must be received at the Commission office within fifteen (15) days from the date of the Education Council’s written notification to the applicant. A request for Commissioner Review of an Education Council decision will be treated in all respects as a request for special consideration before the Commissioners. Unless a written request is timely filed, the decision of the Education Council will be deemed the final agency action.

B. It is the policy of the Commissioners that the Executive Director shall have the authority to determine the following applicant requests:

1. Grant of a provisional license/extension of time to complete continuing education requirements (54-2023(8))
2. Waivers of the national exam (54-2014 and 54-2015)

Staff will provide written notification of denial of requests for the above waivers or grant of provisional license within ten (10) business days. If an applicant does not agree with the Staff decision to deny a request, the applicant may request to have the matter reviewed by the Commission members by timely filing a written request for Commissioner review. Such request must be received at the Commission office within fifteen (15) days from the date of Staff’s written notification to the applicant. A request for Commissioner review of a Staff determination will be treated in all respects as a request for special consideration before the Commissioners.

C. All requests for felony or revocation exemption, waiver of high school graduation/GED or experience requirements, or waiver or modification of any other requirements not specifically enumerated above will be presented directly to the Commissioners to be heard and decided as requests for special consideration.

D. All special considerations, waivers and other modifications of licensing requirements, whether determined by staff, the Education Council, or Commissioners, are valid for six (6) months from the date of the Commission’s
written notification to the applicant, unless specifically stated otherwise in the written notification.
PROCEDURE FOR ACCEPTING AND PROCESSING REQUESTS FOR SPECIAL CONSIDERATION

License applicants and applicants for instructor and provider certification are entitled to request special consideration to waive or modify licensing or certification requirements. The purpose of this policy is to set forth the minimum documentation required from an applicant in order for staff to submit a request for special consideration to the Education Council or Commissioners.

All applicants who want to request special consideration must submit a written request detailing the reason and “good cause” for the request, including all appropriate supporting documentation, to the department indicated before his/her request can be placed on a Commission or Council agenda. All other requests must be received no later than noon, one week prior to the scheduled meeting with all materials to be included in the agenda packets.
